2010	Initiation	<p>A friend arrives with a laptop, asks how much crypto Hero wants to buy. Hero responds with a "\$1,000 worth". A friend is surprised, but in an excited way. He makes a crypto transaction to Hero's wallet, creates a password and writes it down on a sticky note. The note says something quirky like Th/3_fUt4Re!</p> <p>Friend: Don't loose it, man.</p> <p>Hero creases the note and says Don't worry. I have a good memory.</p>	UCLA Campus	Clean shave, hoodie, jeans, styled hair	Laptop, sticky note, pen, backpacks	Morning
2014	Wealthy Man	<p>Phone call with a friend Friend: Do you even watch the news? All channels are swamped by these BitCoin news. This things is unstoppable! I sold my shit way before, how's your balance? Hero > I don't know, man, I didn't even open it since I bought it. Should I take I look? Friend > He's asking. Open it now! Hero > ok ok! Don't scream at me.</p> <p>5 minutes later</p> <p>Hero > Ehm, seems like I can't access my wallet. Friend > What? Why? Hero > It says "Incorrect password. Please try again." Friend > Of course it says that if you type it incorrectly. That's why I gave you a sticky note with it! Hero > Well, is there another way of restoring it, like, reset a passwords or stuff like that? Friend > No, it's a cryptowallet from 2010, they didn't have such systems then Hero > Ehm, and it means that I have (clicks on a calculator) about \$8,750,000 on a wallet that I can't access anymore? Friend > ... Hero > IT MEANS THAT I HAVE ALMOST 9 MILLION DOLLARS THAT I CAN'T WITHDRAW? YOU RECALL THIS PASSWORD NOW OR I'LL... (starts whimpering) please tell it to me, man.</p>	At home	Clean shave, Slick hair, Robe	Plate, food, hot pocket	Noon
